Summer Publicity

St Peter's Church celebrates 200 years from October. The church is staging events to involve the community and a signal event at the start of the bicentenary year will be our Community Musical Matinée.

Please consider ways that you can help promote the Community Musical Matinée over the summer holidays and ask me for flyers which will be available shortly. The geographical area that needs to be covered focuses on Frimley and Frimley Green, but Surrey Heath in general including Camberley is within our geographic ambit for recruiting.

There are two events in Camberley where I would welcome support in giving out leaflets during the day whilst enjoying the events:

- Classic Car Rally in Camberley centre on 9th August.
- Farmers Market in Camberley on 16th August.

Let me know if you are free to join me to help and I will coordinate our promotion effort and enjoy the events.
